COVID-19

In light of the COVID-19 pandemic, our Chapter's normal business operations have changed in order to keep our members safe and to promote social distancing. All previously scheduled Chapter monthly meetings have been canceled for the remainder of the Chapter year, and the Spring Seminar has been postponed.

Also, in response to COVID-19, ARMA International has reached into its *Vault* and is now providing access to several critical and timely sessions housed there. These sessions, identified below, are now available from ARMA's Online Bookstore via the provided links).

"A Guide to Making Long-term Digital Preservation Affordable and Sustainable"

"Stay Calm in the Storm by Protecting Vital Records"

President's Message

Greetings...

I trust that all is well with you and your families. Your Chapter Board stands ready to support you as navigate through the ever-evolving COVID-19 crisis. The Board is continuing to conduct Chapter business (while working online).

I will be cascading updated Chapter information as it becomes available. Meanwhile, stay tuned to our chapter website (www.arma-tidewater.org) and also remember to access available resources on the ARMA website (www.arma.org) to help yourself and your respective organization.

This April marks ARMA's 25th year of celebrating Records and Information Management (RIM) Month. Implemented in 1995, its aim is to recognize the importance and value of RIM professionals to organizations and communities. I'd love to hear how you're celebrating RIM Month at work.

Blessings...

Darlene
